Tata

Human Resources Specialist

September 2018 - Present (2 years)

Hyderabad

ManpowerGroup

Talent Acquisition Specialist (IT & ITES)

January 2016 - September 2018 (2 years 9 months)

Hyderabad Area, India

Searching the passive candidates from the specific targeted pockets in the respective domain and industries.

Establishing the contacts with the candidates discretely in the market.

End to end recruitment life cycle which comprises from sourcing to on boarding and further interaction with the placed candidates to check the comfort zone.

Qualifying candidates through competency based interviewing methodology varies from domain to domain and industry as well.

Coordination with the SPOCs in schedules, negotiation, timely follow ups with the candidates on dash board.

Education

Anurag Group of Institutions

Engineer's Degree, Electrical and Electronics Engineering · (2010 - 2014)
